**Activity 2 : RESEARCH**

**Teacher's assessment**

| <b>Student's Attitude</b>  | <b>Yes</b> | <b>No</b> | <b>Sometimes</b> |
|--|------------|-----------|------------------|
| 1. Students were interested in the activity                            | X          |           |                  |
| 2. Students were cooperative with the teacher and their peers          | X          |           |                  |
| <b>Students' Co-operativeness</b>                                      |            |           |                  |
| 3. Students were able work in groups or pairs                          | X          |           |                  |
| 4. Students were able to share ideas and knowledge                     | X          |           |                  |
| <b>Students' Autonomy</b>  |            |           |                  |
| 5. Students were able to organise and plan their own work              | X          |           |                  |
| 6. Students were able to use different sources of information          | X          |           |                  |
| <b>Students' Creativity</b>  |            |           |                  |
| 7. Students have shown original thought, initiative and initiativeness | X          |           |                  |
| <b>Concepts Learnt by Students</b>                                     |            |           |                  |
| 8. Students have learnt different concepts related to the topic        | X          |           |                  |
| <b>Presentation</b>  |            |           |                  |
| 9. Students have presented their work neatly and in an ordered manner  | X          |           |                  |

**Students' Assessment**

| <b>Evaluate the Activity: The activity has been useful</b> | <b>Yes</b> | <b>No</b> | <b>Sometimes</b> |
|--|------------|-----------|------------------|
| 1. To learn things which I didn't know about the task      | X          |           |                  |
| 2. to enjoy with an extra curricular activity              | X          |           |                  |
| 3. To learn to co-operate with my peers                    | X          |           |                  |
| 4. To get to know what a European Project is like          | X          |           |                  |
| 5. To get to know other countries much better              | X          |           |                  |
| 6. To learn what things are called in other languages      | X          |           |                  |
| 7. Did you like the activity/task?                         | X          |           |                  |

**Final Evaluation Of The Activity/ Task (Students' Opinion)**

We had fun. We have learnt a lot of new words about olympics. We learnt a lot about the olympics itself.
